In progress of obtaining a Degree in
Design, specialization in Visuality and Media

Santiago, Chile **s.venegas.alva@gmail.com**

Github: Angcroft **Portafolio:** svenegas-262ff.web.app **LinkedIn:** Sergio Venegas

PROFESSIONAL SUMMARY

Digital product, advertising, and UX/UI designer. I have internship experience maintaining and proposing graphic guidelines for social media and interface prototyping (UI). I stand out for my adaptability in highly demanding environments and my technical mindset. I am currently deepening my knowledge of frontend development to ensure that my web and app design proposals are ready to be implemented in IT contexts.

TECHNICAL SKILLS

UI/UX: Figma, Adobe XD, Prototyping, User Research, Wireframing

Frontend Development: Javascript, HTML5, CSS

Graphic Design: Photoshop, Illustrator, Premiere Pro, After Effects (Intermediate)

Languages: Spanish (Native), English (B2)
